MONTHLY MONDAY TALK

In Lydgate Parish Hall

Monday April 9th 2.30 pm

HELEN WALTON

**LYDGATE'S HISTORICAL LEGACY...yes it all
started here!**

Almost 200 years ago and 60 years before the birth of Saddleworth Suffragette Annie Kenny, the women of Lydgate were given the opportunity to vote along with the men. This significant meeting helped shape the growing radical movement and had a direct impact on the events at Peterloo the following year. Helen supported by her colleague, local Danny Brierley have researched this unique piece of local history and will be sharing their findings.

Certainly not to be missed!

**Donations of £3 requested to support the improvements to
our Parish Hall.**
