

PRESENTS

MONTHLY MONDAY TALK

In Lydgate Parish Hall

NOVEMBER 4th 2.30 pm

ARE YOU RUBBISH AT RECYCLING?

Probably not but we can all do better.

We know how our throw away culture is damaging the planet, but do we know how best to minimise it? Come along to listen to Joanne Stanley from OMBC, who talks with enthusiasm and knowledge about recycling our rubbish?

Donations of £3 requested to support the improvements to our Parish Hall.

Tea, coffee and home-made cake available.
